BLECH business'07

DEADLINE DATE: 15 OCTOBER 2007

All exhibitors (apart from those who have ordered a shell scheme stand from the Organisers) are obliged to submit stand design plans for approval.

Stand Construction Regulations

All stand constructions require written approval from the Organisers (except for shell scheme stands ordered from the Organisers). The maximum height for stand construction and associated advertising (including the top of items suspended from drop wires) is 6.5m! Advertising facing adjacent stands must be mounted at least 1m away from them. The reverse of walls above 2.5m must be decorated in a satisfactory condition.

3 copies of scaled plans showing stand dimensions, especially heights must be submitted to the Organisers no later than 15 October! If the stand is above 4m, structural calculations in Polish must accompany these plans.

Please give below details of the stand designer working for you:
